PARIS AÉROPORT'S TRAFFIC

IMPORTANT NOTE: Since the traffic release of December and the year 2022, the geographical breakdown at Paris Aéroports within this release as well as in the historical data used for variation and recovery calculations are aligned with the different categories applicable to airport fees. It presents the detailed breakdown of the "Europe" traffic into three categories: "Schengen Area" traffic, "United Kingdom & UE excluding Schengen" traffic and "Other Europe" traffic. Traffic with "French overseas territories", is presented separately from the "International" traffic, in which it was included until the November 2022 traffic release. It is reminded that airports fees applicable to these different categories are available on the [company website](#).
