

Paris, 22 February 2012

International development is a strategic orientation for Aéroports de Paris' development with a special emphasis on targets with strong growth profile, located in OECD and BRIC countries. Aéroports de Paris notes recent rumors regarding a potential investment in TAV Havalimanlari Holding A.Ş. and confirms that it has expressed an interest for such project in the context of the process launched by the main shareholders of such company. There can be no certainty at this preliminary and non-exclusive stage that this will result in any agreement or transaction.
