Press Release

**Clarification: update about discussions
between Aéroports de Paris and the Vietnamese Authorities**

Following press information relating to the authorisation given to Aéroports de Paris by the Vietnamese government to acquire a stake in Airports Corporation of Vietnam (ACV), Aéroports de Paris again confirms that it has submitted pre-qualification documents as part of the consultation process organized a few months ago by the Vietnam Ministry of Transport and that it has been **invited to negotiate exclusively** with the Vietnamese authorities.

The financial, industrial and governance conditions for the disposal of the 20% of ACV's equity capital offered for sale have not yet been defined.

Hence, **no binding offer has been proposed by Aéroports de Paris at this stage.**
